

United States v. Aaron Weinreb

Docket 20-cr-00006 (BMC)

#### TERMS OF SUPERVISED RELEASE OR PROBATION

1. The defendant shall comply with any possible restitution orders.
2. The defendant shall not have contact with the victims of the instant offense. This means that he shall not attempt to meet in person, or communicate by letter, telephone, email, the Internet, or through a third party, without the knowledge and permission of the U.S. Probation Department.
3. The defendant shall comply with any applicable state and/or federal sex offender registration requirements, as instructed by the probation officer, the Bureau of Prisons, or any state offender registration agency in the state where he resides, works, or is a student.
4. The defendant shall participate in a mental health treatment program, which may include participation in a treatment program for sexual disorders, as approved by the U.S. Probation Department. The defendant shall contribute to the cost of such services rendered and/or any psychotropic medications prescribed to the degree he is reasonably able, and shall cooperate in securing any applicable third-party payment. The defendant shall disclose all financial information and documents to the Probation Department to assess his ability to pay. As part of the treatment program for sexual disorders, the defendant shall participate in polygraph examinations to obtain information necessary for risk management and correctional treatment.
5. The defendant shall not associate with or have any contact with convicted sex offenders unless in a therapeutic setting and with the permission of the U.S. Probation Department.
6. The defendant shall not associate with children under the age of 18, unless a responsible adult is present, and he has prior approval from the Probation Department. Prior approval does not apply to contacts which are not known in advance by the defendant where children are accompanied by a parent or guardian or for incidental contacts in a public setting. Any such non-pre-approved contacts with children must be reported to the Probation Department as soon as practicable, but no later than 12 hours. Upon commencing supervision, the defendant shall provide to the Probation Department the identity and contact information regarding any family members or friends with children under the age of 18, whom the defendant expects to have routine contact with, so that the parents or guardians of these children may be contacted and the Probation Department can approve routine family and social interactions such as holidays and other family gatherings where such children are present and supervised by parents or guardians without individual approval of each event.
7. If the defendant cohabitates with an individual who has minor children, the defendant will inform that other party of his prior criminal history concerning his sex offense. Moreover, he will notify the party of his prohibition of associating with any child(ren) under the age of 18, unless a responsible adult is present.

8. The defendant shall submit his person, property, house, residence, vehicle, papers, computers (as defined in 18 U.S.C. § 1030(e)(1)), other electronic communications or data storage devices or media, or office, to a search conducted by a United States probation officer. Failure to submit to a search may be grounds for revocation of release. The defendant shall warn any other occupants that the premises may be subject to searches pursuant to this condition. An officer may conduct a search pursuant to this condition only when reasonable suspicion exists that the defendant has violated a condition of his supervision and that the areas to be searched contain evidence of this violation. Any search must be conducted at a reasonable time and in a reasonable manner.

9. The defendant shall report to the Probation Department any and all electronic communications service accounts [as defined in 18 U.S.C. § 2510(15)] used for user communications, dissemination and/or storage of digital media files (i.e. audio, video, images). This includes, but is not limited to, email accounts, social media accounts, and cloud storage accounts. The defendant shall provide each account identifier and password, and shall report the creation of new accounts, changes in identifiers and/or passwords, transfer, suspension and/or deletion of any account within 5 days of such action. Failure to provide accurate account information may be grounds for revocation of release. The defendant shall permit the Probation Department to access and search any account(s) using the defendant's credentials pursuant to this condition only when reasonable suspicion exists that the defendant has violated a condition of his supervision and that the account(s) to be searched contains evidence of this violation. Failure to submit to such a search may be grounds for revocation of release.

10. The defendant shall also cooperate with the U.S. Probation Department's Computer and Internet Monitoring program. Cooperation shall include, but not be limited to, identifying computer systems, Internet capable devices, and/or similar electronic devices the defendant has access to, and allowing the installation of monitoring software/hardware on said devices, at the defendant's expense. The defendant shall inform all parties that access a monitored computer, or similar electronic device, that the device is subject to search and monitoring. The defendant may be limited to possessing only one personal Internet capable device, to facilitate our department's ability to effectively monitor his Internet related activities. The defendant shall also permit random examinations of said computer systems, Internet capable devices, similar electronic devices, and related computer media, such as CDs, under his control.

11. The defendant is barred from the practice of medicine or of having direct patient contact.
